

# EQUIPMENT MOVER ASSEMBLY INSTRUCTIONS

1. Turn base upside down.
2. Install the two swivel wheels on one end. Install the remaining tow rigid wheels on the other end. Use the fasteners shown.
3. Install the two uprights in the base sockets. Both uprights are identical.
4. Install the two shelves. Using the fasteners shown. Both shelves are identical.
5. Tighten all fasteners.
6. Assembly is now complete.
