

UNIFORM & HAT MOVER ASSEMBLY INSTRUCTIONS

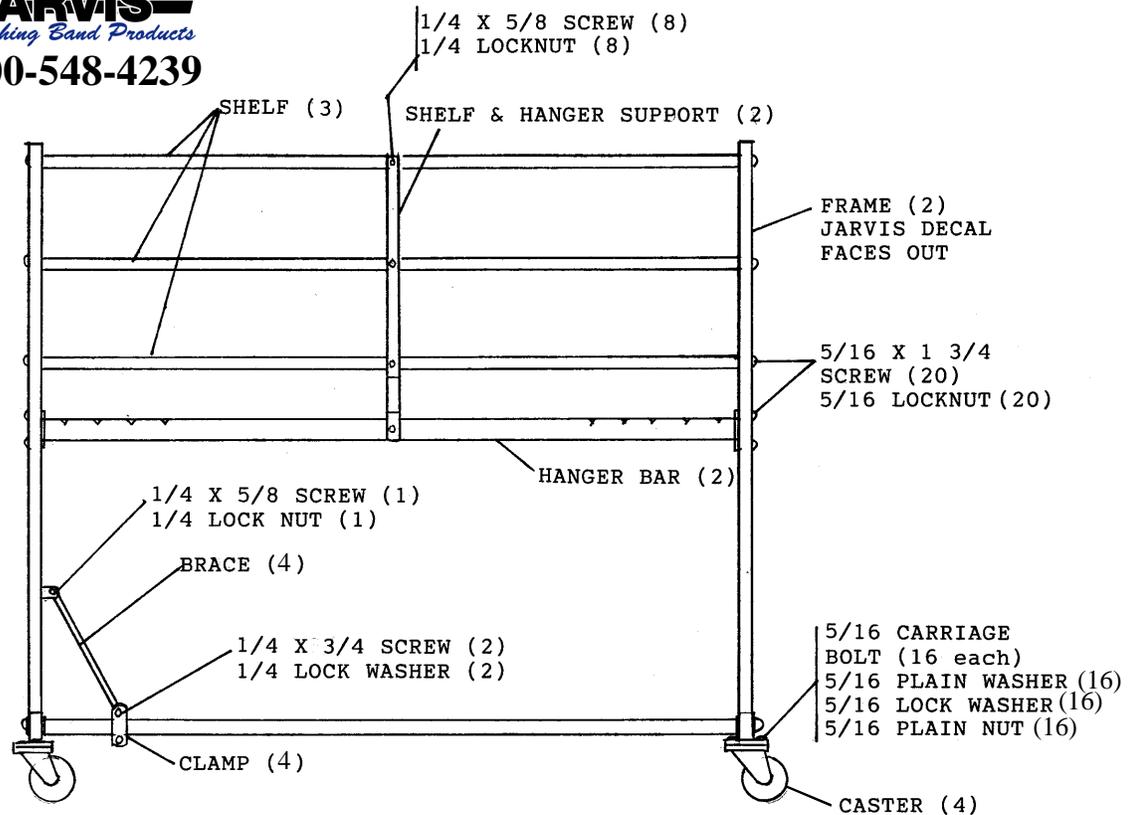

1. Two persons required for assembly.
2. See drawings for fasteners required.
3. Assemble the two (2) tie rods to the two (2) frames with "JARVIS" decals facing outward. Position frames in upright position. Tighten cap screws (or knobs) securely. See **Tie Rod-to-Frame** drawing for tie rod detail.
4. Install the two (2) hanger bars with notches up. Bars are identical and reversible from end to end. If you are installing the hanger bars with a "Hold-Down" bar install handle on bar outward. Tighten nuts – hand tight only
5. Install the three (3) shelves. Note that all shelves are identical. Install shelves with flange up. Tighten all shelf fasteners and hanger fasteners securely.

TIE ROD TO FRAME

6. Install braces and clamps. Hold end frames vertical and tighten fasteners.
7. Install the four (4) caster wheels. For easier installation lay frame on its side.
8. Assembly is now complete.
